

PART 1. READING PASSAGE

A Wonderful Weekend

My name is Emma, and I am eleven years old. I live in a small town with my parents and my younger brother, Tom. I go to school from Monday to Friday. My favorite subjects are English and Science because I enjoy learning new things. After school, I usually do my homework, help my mother prepare dinner, and read books before going to bed.

At the weekend, I have more free time to do the things I love. On Saturday morning, I usually get up at seven o'clock and have breakfast with my family. Then, I ride my bike to the park with my best friend, Lucy. We often play badminton, take photos, and talk about our favorite films. Sometimes, we buy sandwiches and orange juice at a small café near the park.

In the afternoon, I often visit my grandparents with my parents. My grandmother is a wonderful cook, and she sometimes teaches me how to make cakes. My grandfather enjoys gardening, so I help him water the flowers and vegetables. I love visiting them because they always tell me interesting stories about their childhood.

On Sunday morning, I usually stay at home and finish my homework. After that, I clean my bedroom and prepare my schoolbag for Monday. In the afternoon, my family often watches a film together or goes for a walk near our house. If the weather is sunny, we sometimes have a picnic in the park.

I think weekends are very important because I can relax after a busy school week. I also have more time to spend with my family and friends. Although I enjoy playing games and watching films, I know that studying and helping my parents are important, too. I always feel happy and ready for a new week after a wonderful weekend.
