KIDS FOUR FINAL EXAM

Paper 2
Time allowed: 1 hour

A) Read the story: "Greedy Oliver".

Greedy Oliver

Oliver loves sweets. He likes lollipops, chocolate, ice cream and toffees. Yesterday, his grandma gave him some money. He was very happy and ran to the sweet shop. There were so many things to choose from! He looked at all the sweets in the window and smiled. Finally, he bought a bar of chocolate. He ate it in the park. It was delicious. Then he thought, "I want some toffees now."

So he had an idea. Early in the morning, he went to Mrs Spencer's house and took her dog for a walk. Mrs Spencer was so happy that she gave him more money. Oliver took that money, went to the shop again, bought a small bag of toffees, and ate them in the park. The toffees were very sweet, and he felt proud of his clever idea. Then he saw a girl with an ice cream. But he had a problem: now he really wanted an ice cream too, but he didn't have any money!

Oliver went back to the sweet shop. He looked around and hid behind the freezer. When the shopkeeper looked away, he opened the freezer. He tried to take some ice creams, but he fell in and the freezer closed! The shopkeeper heard a noise and opened it. She helped Oliver out, but he was really very cold. He felt really sorry!

Now, Oliver is at home. He is drinking hot chocolate and sitting near the fire. He feels better, but he remembers the freezer and laughs.

From now on, Oliver is going to save his money. He is going to buy sweets only on special occasions. And more importantly, he is never going to jump into a freezer again!
