Yesterday my mother was ill. My father and I took her to the doctor. First my father talked to the lady who was in the charge of registration. She typed the data about my mother on the computer. Then we waited for my mother's turn.

When her turn came, I accompanied her to enter the doctor's room. The doctor listened to my mother's complain patiently. Then he examined my mother by putting at his stethoscope on her chest. After that, he took my mother's blood pressure by using a Spigmomanometer. He also asked his assistant, a nurse, to take my mother's temperature so she put a thermometer in my mother's armpit. He told me that my mother had a bad influenza. He wrote a prescription and give it to me. He advised my mother to stay an bed for three days and came back after a week.

Then father took my mother home directly and I went to the nearest dispensary.

Text for number 11 to 13

Last week my parents, sister, brother, and I went to the zoo. We went there for recreation. We left at 6.00 am and arrived there at 08.00 am. It is about a hundred kilometers to the zoo from my house.

There were a lot of people watching a giant snake. The snake was there for about a week. It was 9 meters long. I thought it was the biggest snake I had ever seen. After going around and watching various animals, we went home. On the way home, we stopped at the Borobudur temple for an hour.
