- A. so B. and C. or D. but

SECTION 3: Read the following passage and mark the letter A, B, C, or D on your answer sheet to indicate the correct answer to each of the questions from 21 to 28.

Music plays a vital role in modern human culture and deeply influences our emotional well-being. Listening to music can help people escape from daily stress and feel rejuvenated after a long working day. For instance, energetic songs with a fast tempo and lively beats can instantly cheer you up and boost your energy when you feel tired. Conversely, gentle melodies featuring classical string instruments like guitars or violins help **calm** your mind and reduce anxiety before engaging in demanding mental tasks.

In addition to emotional benefits, music serves as a powerful bridge connecting people across different cultures. Television talent competitions like American Idol or Vietnam Idol have attracted millions of international viewers. These shows offer ordinary individuals with genuine musical talent a valuable opportunity

to perform on stage and pursue a professional singing career. **They** allow global audiences to discover inspiring songs and share their passion for vocal art. Choosing suitable music at the right moment is an effective way to maintain a balanced lifestyle.

Question 21. What is the passage mainly about?

- A. The history and development of television singing shows.
- B. How to play traditional string instruments effectively.
- C. The positive impacts of music on human emotions and social connection.
- D. The reasons why fast-tempo pop music is popular among teenagers.

Question 22. According to paragraph 1, what kind of music can boost your energy levels when you feel tired?

- A. Gentle melodies played by classical violins.
- B. Energetic songs with a fast tempo and lively beats.
- C. Slow acoustic songs without percussion.
- D. Soft lullabies listened to before sleeping.

Question 23. The word “**calm**” in paragraph 1 is **CLOSEST** in meaning to _____.

- A. excite
- B. relax
- C. confuse
- D. annoy

Question 24. The word “**They**” in paragraph 2 refers to _____.

- A. classical string instruments
- B. emotional benefits
- C. television talent competitions like American Idol or Vietnam Idol
- D. ordinary individuals

Question 25. According to paragraph 2, TV talent shows provide ordinary people with an opportunity to _____.

- A. perform on stage and pursue a singing career.
- B. win expensive household electrical appliances.
- C. learn how to organize clean-up events.
- D. travel around the world for free.

Question 26. Which of the following is **TRUE** according to the passage?

- A. Listening to fast music is the only way to reduce stress.
- B. Gentle melodies help lower stress before demanding activities.
- C. TV music talent shows attract only elderly viewers.
- D. Classical music has no positive impact on mental health.

Question 27. Which of the following is **NOT TRUE** according to the passage?

- A. Fast-tempo music can cheer people up instantly.
- B. Music helps connect people across different cultures.
- C. TV talent shows only accept professional singers who are already famous.
- D. Choosing the right music helps maintain a balanced lifestyle.

Question 28. What can be inferred from the passage?

- A. Playing a musical instrument is required for all high school students.
- B. People should only listen to classical music to avoid tiredness.
- C. Traditional music is more beneficial than modern musical shows.
- D. TV music shows give undiscovered musical talents a chance to become famous.
