A. Read the text.

I live in a tall building near the city centre. My family has a comfortable flat. There are three bedrooms in our home. The living room is bright and spacious. We usually watch television together there. My bedroom has a desk and bookshelf. I often study after dinner. There is a small balcony outside. My mother grows flowers there. The kitchen is always clean and tidy. Everyone helps with housework daily. I love my home very much. It is my favourite place.
