4. Name one thing the brothers did together. \_\_\_\_\_

5. Korra and Asami become good friends. Write one sentence about their friendship.  
\_\_\_\_\_

6. Tenzin is Korra's \_\_\_\_\_.

## Section 2: Short Answers - Use the Grammar Target

1. Why did Korra enjoy learning airbending? Use a gerund (-ing).

---

2. What did Mako need to do to help his team? Use an infinitive (to + verb).

---

3. What did Tenzin have Korra do during training? Use a causative verb (have, make, or let).

---

4. Even though Korra faced many problems, what did she continue doing?

---

5. Even if you were not a bender, what job would you choose in Republic City?

---

6. Even when Mako and Bolin disagreed, what did they usually do in the end?

---

## Section 3: Essay Writing

Imagine that you arrive in Republic City and discover that you can bend one element. Which element would you choose and why? Describe where you would live, who you would be friends with, and one adventure you would have. Use at least 120-150 words. Try to include one gerund, one infinitive, one causative verb, and one sentence with even though/even if/even when.

[illegible]
