

PEER INTERVIEW WORKSHEET

Student A: _____

Student B: _____

Class: _____

Instructions

1. Work with a partner.
2. Student A interviews Student B and writes down the answers.
3. Switch roles and interview each other.
4. Compare your daily routines and identify at least two similarities or differences.
5. Write a short comparison paragraph with your partner.

Part A. Interview Your Partner

Ask the questions below and write your partner's answers in the table.

Topic	Interview Questions	My Partner's Answers
Morning	What time do you usually wake up?	_____
Morning	What do you usually do after waking up?	_____
School hours	How do you usually go to school?	_____
School hours	What do you usually do during break time?	_____
Afternoon	What do you usually do after school?	_____
Afternoon	How often do you do extracurricular activities?	_____
Evening	What do you usually do after dinner?	_____
Evening	What time do you usually go to bed?	_____

Part B. Compare Your Daily Routines

Complete the table using the information from your interviews.

Comparison	My Routine	My Partner's Routine
Wake-up time	_____	_____
Transportation	_____	_____
After-school activity	_____	_____
Evening activity	_____	_____
Bedtime	_____	_____

Find your similarities and differences.

1. One similarity: _____
2. One difference: _____

Part C. Write a Comparison Paragraph

Work together to write a short paragraph comparing your daily routines. Write approximately 5–7 sentences.

Useful expressions

- Both of us...
- We both usually...
- Unlike me, my partner...
- I usually..., while my partner...
- However, we both...
- My partner often...

Example

My partner and I have some similarities and differences in our daily routines. Both of us review our lessons in the evening. However, I wake up at five o'clock, while my partner wakes up at half past five. I go to school by bicycle, but my partner goes to school by motorcycle. Although our routines are different, we both try to manage our time well.

Your paragraph:

Part D. Oral Sharing and Peer Feedback

Present your comparison to the class in approximately one minute.

After listening to another pair, complete the feedback below.

- One thing I learned from their presentation: _____
- One question or comment: _____
