Part V: Reading Comprehension

Greenwood International School is a wonderful place for students to learn and grow. The school has a very large campus with beautiful gardens and tall trees. There are modern buildings with well-equipped classrooms. Every classroom has a smart board, a computer, and comfortable desks. The school also has a big library, a science laboratory, and an indoor swimming pool.

Students at Greenwood study from Monday to Friday. The school offers a wide range of subjects, including Math, Science, Literature, and Arts. English is the main language spoken here, so students can improve their speaking skills very quickly. The teachers are from many different countries. They are highly qualified, friendly, and always ready to help students. Besides studying, the school focuses on physical health. There are huge sports fields for football, rugby, and athletics. During break time, students often go to the cafeteria to have healthy meals. In the afternoon, students can choose to join various clubs such as the music club, drama club, or chess club. The school also organizes many exciting events and field trips throughout the year. Greenwood International School truly provides a perfect environment for students to develop both academically and physically.

25. Every classroom at Greenwood International School has a smart board and a computer. _____
26. Students study at Greenwood from Monday to Saturday. _____
27. English is the main language spoken at the school. _____

 D. The history of Greenwood School
30. Which facility is NOT mentioned in the passage?
 A. an indoor swimming pool
 B. a science laboratory
 C. a computer room
 D. huge sports fields

Part VI: Cloze Test

Learning a foreign language is an exciting journey. In our modern world, English is the most popular language. At my school, we have English lessons four times a week. The lessons are never boring because our teacher uses many fun activities. We often play games and sing English songs. To learn well, you need to remember a lot of new (31) ____.

My teacher says the best way to learn new words is to read as (32) ____ books as possible. When you see a strange word, you should guess its meaning first. Then, you can use a dictionary to check. It is also important to write the words in your notebook. Some students like to use a highlighter to mark important rules in their (33) ____ books. Besides reading, listening is very crucial. You can listen to English podcasts or watch English movies. If you want to speak fluently, you must (34) ____ speaking every day. You can find a partner and create a short (35) ____ to talk about your daily life. Do not be afraid of making mistakes. The more you speak, the better you become. English opens the door to the world, so we should put effort (36) ____ learning it properly.
