Hello Dani!

I have two brothers and one sister, I am the second daughter. We live in the fifth house, in the thirtieth street. In house we have a lot of pets: two cats, one dog, three turtles and one hamster. I am going to turn fifteen years old. On December tenth is my birthday, I invited to all my twenty classmates. I am in third grade of secondary school.

Three years ago, on Monday (one day before of my birthday) I met Sam, your cousin, in the park. This year we are going to celebrate my birthday on Saturday December 12th.

I don't forget your birthday, we are planning to visit you on March 21st, on Sunday, so we can go to the mall.

See you soon, your friend Ari
