KIDS FOUR FINAL EXAM

Paper 3
Time allowed: 1 hour

A) Read the story: **"Lucy's Sports Day".**

Lucy is ten years old and lives in a small town near the sea with her parents and her little brother. She goes to school in the morning and likes studying English and Art. In the afternoon, Lucy usually goes to the sports club near her house. She loves playing basketball because she has fun with her friends. They are a great team!

Last Friday, there was a sports day at Lucy's sports club. Many children decided to join the activities, and there were a lot of people at the club. Lucy and her best friend Emma arrived early because they were very excited. Before the competitions started, they talked about the games with their friends and watched other children practise.

At two o'clock, the competitions started. Lucy played basketball first with her team. She ran fast, passed the ball to her friends and scored some points. They were all very happy because they played a good match. After that, Emma played volleyball with her team. Lucy watched carefully and she celebrated every time Emma played well.

Later, there were other activities like running and jumping. All the children participated and had fun together. Some children felt tired, but everyone enjoyed the day a lot.

At the end of the afternoon, the teachers gave small prizes to all the children. Lucy did not win first place, but she felt very happy and proud. She enjoyed playing with her friends and learning new things. That day, Lucy went home tired but smiling. She decided to practise more and come back to the club next week.
