(MIGHT)

7- I'd prefer to stay in tonight.

(WOULD RATHER)

DIGITAL NOMADS

In recent years, the concept of the digital nomad has evolved from a fringe idea into a legitimate lifestyle embraced by thousands of professionals worldwide. Enabled by rapid technological advances and a growing acceptance of remote work, digital nomads choose to live and work from various locations rather than being tied to a single office or country. **A** _____, such as programming, digital marketing, content creation, and consulting.

These individuals often prioritize flexibility, independence, and the chance to explore new cultures while continuing their careers. Popular destinations include countries with affordable living costs, reliable internet, and a welcoming community of other remote workers. However, the lifestyle is not without its drawbacks. Constant travel can lead to instability, burnout, and difficulty maintaining close relationships. In addition, practical concerns such as time zone differences, inconsistent income, and navigating visa regulations can add to the complexity of living abroad long term.

B _____, several governments — including those of Portugal, Estonia, and Costa Rica — have introduced special visa programs specifically for digital nomads. These visas allow individuals to stay longer than a tourist would typically be allowed, while contributing economically to the host country. As digital nomadism becomes more widespread, it raises important discussions about taxation, sustainability, and the social impact on local communities.

Despite the obstacles, many digital nomads say the benefits outweigh the downsides. **C** _____ working from a mountaintop café or a seaside town — offers a unique kind of freedom that's hard to find in traditional work settings.

Task A: Complete gaps **A, B, C** with the corresponding phrase from 1 to 5. There are two extra phrases.

- 1- Maintaining a consistent routine also poses difficulties
- 2- For them, the chance to live life on their own terms
- 3- They are typically employed in fields that rely heavily on digital tools
- 4- These types of workers prefer to work
- 5- To address these challenges and attract remote professionals

Task B: For each of the underlined words in the text, choose the best meaning **a)** or **b)**.

- | | | |
|--------------------|-------------------|----------------|
| 6- fringe | a) unconventional | b) complicated |
| 7- concerns | a) drawbacks | b) worries |

PART B

WRITING

10 marks

Write one composition using 140 to 190 words. Choose either option A or option B and circle the letter corresponding to your choice.

- A-** Write an **ESSAY** giving your opinion on the following topic: *'Is social media connecting or isolating us?'*
- B-** The company where you work is planning to organize a trip abroad with the best employees so they can improve their English-speaking skills. Your boss has asked you to write a **REPORT** about it. Describe the selection process of the best employees, where they should go and how long they should stay there. Make recommendations about the activities they could do in the foreign country.

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
