

THE MAGICAL HALLOWEEN KITCHEN

A SPOOKY COOKING ADVENTURE

STUDENT'S NAME: _____

DATE: _____ LEVEL: B1

YOUR MISSION

The Halloween recipes have disappeared! Enter the magical kitchen, complete four cooking challenges, earn badges, and recover the lost recipe book.

HOW TO PLAY

Complete the four challenges in order. Each completed challenge earns points and a special badge. You may ask the AI Tutor for hints, explanations, and feedback whenever you need support.

Learning objective: Describe food and cooking situations using cooking methods and quantity expressions (too, too much, too many, and enough), aiming for at least 80% accuracy.

AI Tutor reminder: Try each answer independently first. Ask the tutor for a hint or explanation; do not simply copy answers.

AI COOKING TUTOR

Use the AI tutor during the activity when you need support. Ask it to explain a cooking method, clarify the difference between *too much* and *too many*, or give you a hint about a grammar correction. Try to answer independently before asking for help.

Reflection: What did the AI tutor help you understand? What will you try to improve?

CONGRATULATIONS! MASTER HALLOWEEN CHEF!

You helped restore the magical cookbook!
