### A MESSAGE FROM MY CLASSMATE

Hi Emma,

Thanks for your message yesterday. I was wondering (27) _____ you could help me with our English project. I haven't finished it yet, and the deadline is next Monday.

Our teacher asked us (28) _____ we thought about improving communication between students. I suggested creating an online forum, but I am not sure if (29) _____ will be enough time to test it before our presentation.

Could you remind me (30) _____ bring my notes to school tomorrow? I left them at home today. Also, I must apologise (31) _____ not replying to your last message earlier because I was quite busy.

Please let me know (32) _____ you are free so that we can meet after class tomorrow.

See you,
Lucy
