Ali and Khalid visited the National Museum. Their guide was Mr. Hameed. He was tall, had brown eyes, and wore a blue jacket. **He** smiled and said, "Welcome, everyone!" They walked inside. There were many old things. They saw a big rock from space. The rock was called a meteorite. It came from the desert. They looked, but they didn't touch. Next, they saw dinosaur skeletons. They were very large! One dinosaur lived in the sea. It looked strange but amazing. Then they saw a giant elephant skeleton. It was very, very old — about 12 million years! The museum was full of wonderful things. Ali and Khalid learned many new facts and had a great time!
