Name: _____ Day: _____ Date: _____

Modals in Dialogue

Write the correct answer.

Mother : Jamilah, there _____ be a water supply suspension this coming Sunday.

Jamilah : Ah... Another day without water. Why is it happening so often, Mum?

Mother : This _____ be because of the lack of rainwater recently.

Jamilah : If that's the case, we _____ store enough water by the said date.

Mother : Don't worry, my dear. I have started storing water.

Jamilah : _____ you want me to give you a hand?

Mother : You _____ help me to fill up two more pails.

Jamilah : Here you are, Mum.

Mother : Thank you. We _____ conserve water daily even though we have sufficient water supply.

Jamilah : _____ you tell me how to conserve water at home?

Mother : We _____ take shorter showers and turn off the tap while soaping.

Jamilah : I _____ take your advice to heart.

Mother : We _____ also collect rinse water from the washing machine for flushing the toilet or mopping the floor.

Jamilah : Wow, I never thought that these methods _____ be helpful in conserving water!

Mother : Next time, when you help me wash the vegetables and dishes, wash them in a filled sink instead of a running tap.

Jamilah : Sure! I _____ do my best to conserve water at home. Water is precious. When we save water, we save money too.
