1. The company lost a client because of my blunder. I forgot an appointment and she was waiting for me for more than an hour.
2. If I had known that my average in college would be affected so much due to my grade in Spanish, I would have dropped that course.
3. If the government banned AI from universities, we would have better doctors, lawyers and teachers in the future.
4. I wish there were fewer requirements to get an excellent grade.
5. If garbage bins were bigger, the school yard would look cleaner.
6. When we receive a message, we usually reply to it quickly.
7. We often respond to comments on our posts if a friend comments.
8. It is also normal to comment on our friends' photos and congratulate them on their good news.
9. I have to catch up with Susan because I haven't seen her since college.
10. I had not seen Mario since college, so yesterday he and I met and caught up on our lives.
