Part 3

You will hear five short extracts in which teenagers are talking about taking photos on their phones. For questions **19–23**, choose from the list (**A–H**) the advice which each speaker gives. Use the letters only once. There are three extra letters which you do not need to use.

A Experiment with different subjects.

B Take a large quantity of photos.

Speaker 1 | | **19**

C Look closely at what's in the background.

Speaker 2 | | **20**

D Consider how your photos will turn out.

Speaker 3 | | **21**

E Use other people's work for inspiration.

Speaker 4 | | **22**

F Consider different colour choices.

Speaker 5 | | **23**

G Find out what the camera is capable of.

H Use artificial lighting carefully.
