Homework

Hi my name is Albert. I live with my family in a house. My sister is Ana, and my brother is Adam. We help our parents with the chores at home.

Everyday I make my bed and my brother feeds our dog Fido. My sister prepares breakfast and and my mom cooks dinner. My father washes the dishes after dinner. On Saturday, my brother and I pick up the bedrooms and my sister brooms the house. My father washes his car, and my mom goes shopping. On Sunday we watch movies, or we go to the park.
