My name is Adam. My school starts at 8 a.m. I study math, English, and science. I like English because we write stories. Now, we are learning about animals in class. My friend Sarah is drawing an elephant. The teacher is helping us with new words. We are having fun! Everyone is working hard. Yesterday, we had a test, and I had a 10! School can be fun when we learn new things and play with our friends during break time. My favourite sport is football. I play during the break with my friends, and at weekends we go to a club near my house. My brother is a professional football player. He sometimes plays with us and he always wins.
