MATCH THE PAIR

Words and Definitions

Name: _____ Class: _____

HOW TO DO IT

1. Read the words in the left column.
2. Read the definitions in the right column.
3. Find the definition that matches each word.
4. Draw a line (drag your pen, pencil, or mouse) from the dot next to the word to the dot next to its correct definition.
5. Each word has only one definition, and each definition is used only once.

Tip: *On a computer, use Insert > Shapes > Line, or the Draw tab, and drag from dot to dot.*
