7 Read the text about holiday homes and answer the questions.

MY DREAM HOLIDAY HOME

My perfect holiday home is a treehouse. In Normandy, France, there are fantastic houses in the trees. In my favourite treehouse, there's only one floor, and there are stairs to go up the tree. There's a living room with a kitchen, a bedroom and a balcony. There are two beds and a chest of drawers in the bedroom, and a table and some chairs on the balcony. The rooms are small, but the windows are very big!

Céline, France

My ideal holiday home is an old lighthouse. It's near Inverness, in Scotland, and there are four floors with stairs. The rooms are very small and the windows are small, too. On the top floor, there's a comfortable living room. All the furniture is blue – very nice! It isn't cheap, but it's a great place for a holiday.
