SCHOOL LIFE IN AUSTRALIA

A I'm Isaac, and I go to school in Sydney, Australia. Our school year starts at the end of January and finishes in December. Our summer holidays are at Christmas! In Sydney, Christmas is usually on the beach.

B School starts at 9.00 a.m. and finishes at 3.30 p.m. every day. We start the day with ten minutes of 'home group', then we go to our classes.

C There are six home groups and in every group, there are students from different classes. In my home group, there are 16 students. Before our first class, a teacher reads out our names to check who is present or absent. Then we all talk about school life.

D We have six lessons a day. There's a short break after the first two lessons. We study English, French, maths and science. We also have a class about HPE: health and physical education. In HPE, we learn how to live a healthy life and how to eat and sleep well.

E Lunch is at 12.00. We can buy food at school, but my friends and I always take some food from home – usually a sandwich and an apple or an orange.

F We've got a school uniform, and we always wear a hat when we go outside. In fact, there's a rule: 'No hat – no play!' This is because the sun is very strong here.
