Aseel and Emre are discussing the installation of a new water cooling machine. Complete the conversation following the instructions in the brackets. (2 points each)

Aseel I see they're thinking of installing a new water cooler in Reception. *(ask Emre's opinion)*
21 _____?

Emre I don't like the idea. *(give an opinion)*
22 _____ that water coolers are a waste of money.

Aseel *(disagree strongly)*
23 _____
_____. It's good that customers can get a drink while they're waiting.

Emre *(agree)*
24 _____
_____. But not in Reception! It will get really dirty. And what about all the empty plastic cups? It's not very green.

Aseel *(agree strongly)*
25 _____
Maybe we could bring our own cups?

Result _____ / 30 marks
