

Reading Comprehension

My Amazing Family

My name is Theresa, and I have an unusual and amazing family. We're superheroes! We can do amazing things, and we like to help people.

My mom was born in Venice, and she moved to Barcelona in 1996. My dad was born in Barcelona. He met my mom there when they both helped save people in a house fire. They got married in 2006 and had three children soon after that. I'm the oldest child, and I have a younger brother, Tomas, and a baby sister, Tara. Tomas is eight. I'm stronger than him. I can pick up a car! But Tomas is faster than me. He can run a kilometer in less than 15 seconds! That's really fast! Tara is incredible! She can make herself very small, sometimes smaller than a peanut. That's why we call her "Peanut." I love my family because we're always doing exciting things.

My Amazing Family Reading Comprehension
