Dear Anna,

I am glad you are enjoying school a lot too. We are learning about interesting places in our country. We learnt that Spanish Town was once the capital of Jamaica. We also learnt that a long time ago Jamaica was ruled by Spain.

I wonder what life was like back then. When I look at a picture of the old town, I wonder what people use to do there. Did you know that Port Royal was destroyed by an earthquake many years ago? Our teacher is planning a trip there.

Your friend,
Jerry
