Listening-part 4

Example:

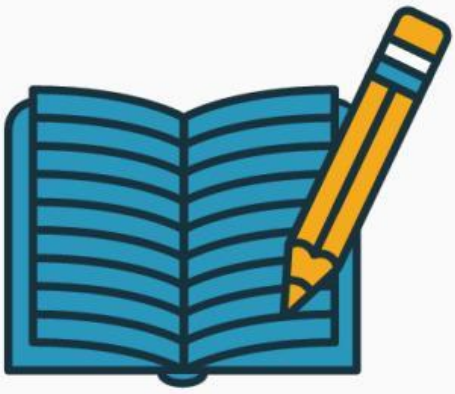

What was Grandma's favourite job?
You've had many different jobs, haven't you, Grandma?
Yes, Jack. I was a secretary for many years but I didn't like it much.
Weren't you a nurse too?
That was only for a short time when I was very young. Did you like doing that?
Yes, but I think I enjoyed working in the chemist's in my village most of all.

1) Which museum is Jack's grandma going to work in?
I've got a new job now, Jack. In a museum. I'm going to start today!
So where is this museum? Is it the one next to my school?
No, not that one.
I know! Is it that big one opposite the hospital?
No, it's the one in the park.
Wow! My class is going to visit that museum next month.

2) What does Jack enjoy doing most in museums?
I enjoy visiting museums.
That's good. Do you like drawing the things that you can see there?
Yes, but I like finding out about different things most of all. There's always something interesting to read.
I agree.
I'd like to pick things up and hold them too, but you can't do that in every museum, can you?
No, that's right, Jack.

3) What is the most interesting thing in the museum?
It's a very exciting museum. You can learn a lot about history there.
Are there any dinosaurs?
No. The most interesting thing in the museum is a boat that sailed all round the world 400 years ago.
Wow! What else?
Well, there are a lot of old gold and silver things.
Some of them are 1,000 years old!

4) What is Jack's grandma going to do in the museum?

But what are you going to do there? Are you going to work in the shop there?

No. I wanted to sell food to people who are visiting.

That's a nice job.

Yes, but they asked me to do something different ...

I'm going to show children who visit the museum interesting things and explain the history to them.

That's excellent. You're very clever, Grandma!

5) How will Jack's grandma get to work?

Are you going to take the bus to the museum every day?

No, it's sometimes too slow.

What about a taxi? That's very quick.

Yes, but it's too expensive.

So what will you do?

I'll take the train. That's the best way to get there.
