CARDINAL & ORDINAL NUMBERS

ENGLISH WORKSHEET • Write, match, choose and speak

Name: _____	**Date:** _____
Class: _____	**Score:** _____ / 5

1. WRITE THE ANSWER

Write the number in words. Use a cardinal or an ordinal number as indicated.

a) Cardinal number: 24	_____
b) Ordinal number: 3rd	_____

2. MATCH THE NUMBERS

Draw a line to match each number with its correct name.

NUMBERS		NUMBER NAMES
1st	→	twenty-five
12	→	first
25	→	twelfth
4th	→	fourth

3. CHOOSE FROM THE DROPDOWN OPTIONS

Select the correct option to complete each sentence.

a) There are _____ days in a week.	▼ seven / seventh / seventeen
b) Monday is the _____ day of the week (starting with Monday).	▼ one / first / once

4. SELECT THE CORRECT ANSWER

Choose the correct word in each sentence. The options are separated by slashes (/).

a) My birthday is on the (twelve / twelfth) of May.

b) I have (three / third) pencils in my pencil case.

5. SPEAKING TIME!

Say your answers aloud. Use complete sentences.

a) How many people are there in your family?
b) What is your favorite month of the year? Is it the first, second, third, or another month?
c) Say one sentence using a cardinal number and one sentence using an ordinal number.

Remember: Cardinal numbers tell us **how many** (one, two, three). Ordinal numbers tell us **the position or order** (first, second, third).
