Way back into Love by Hugh Grant

I've been _____ with a _____ overhead,
I've been _____ with a _____ above my bed,
I've been _____ for so long,
Trapped in the past,
I just can't seem to move on!

I've been _____ all my _____ and _____ away,
Just _____ I ever need 'em again someday,
I've been _____ aside time,
To clear a little space in the corners of my _____!

All I wanna do is find a way back into love.
I can't _____ it _____ without a way back into love.

I've been _____ but the _____ refuse to shine,
I've been _____ but I just don't see the _____,
I know that it's out there,
There's gotta be something for my _____ somewhere!

I've been _____ for someone to _____ some _____,
Not somebody just to get me through the night,
I could use some _____,
And I'm open to your _____ .

All I wanna do is find a way back into love.
I can't _____ it _____ without a way back into love.
And if I open my _____ again,
I guess I'm _____ you'll be there for me in the _____!

There are _____ when I don't know if it's real
Or if anybody feels the way I feel
I need _____
Not just another _____

All I wanna do is find a way back into love,
I can't make it through without a way back into love,
And if I open my _____ to you,
I'm _____ you'll show me what to do,
And if you _____ me to start again,
You know that I'll be there for you in the _____!
