A Day at the Science Museum

Last Saturday, my family and I went to the science museum. We arrived early because we wanted to see everything.

First, we visited a room where children could learn **(1)** _____ the human body. There were many interesting activities.

My little brother was very excited because he could **(2)** _____ a small robot. It was amazing!

After that, we watched a science show. The presenter explained how plants **(3)** _____ without sunlight.

At lunchtime, we went to the museum café. I ordered a sandwich **(4)** _____ my favourite drink.

In the afternoon, we took part in a fun experiment. We had to work together and **(5)** _____ the instructions carefully.

Before going home, we visited the gift shop. I bought a book because I wanted to learn **(6)** _____ about science.

It was a fantastic day!
