Our Trip Around Vietnam

Hi, I'm Anna. My family and I love travelling around Vietnam. It is a very fun trip! There are many places to see, and every place is special.

We see high mountains, long beaches, green forests, and big cities. I like the mountains best. The mountains are more beautiful than the beaches. The air in the mountains is fresh and cool, and the view is amazing. Sapa is a nice town in the mountains. People grow rice on the hills, and the fields look like green stairs. It is the coldest place we visit, but we enjoy the cool weather there. The food is great too! There are many kinds of food. The food here is more delicious than the food at home. My favourite food is grilled fish and my brother likes noodles.

There is a small museum in the town. This isn't a new museum, but it is very interesting. Inside, we can see old clothes, pictures, and tools from the past. We learn a lot about the history of the town. There aren't many people there, so it is quiet and peaceful.
