Inside and Outside

Kyle has a lot to do inside. He has to feed his fish. He fills his backpack with his school supplies. He eats his lunch and he takes a nap.

Kyle can now go outside! He has lots to do in the nice sunshine. Kyle likes to jump. His favorite thing to do is jump rope. Kyle also likes to swim. He must use sunblock when he swims. Kyle wants to fly his kite. The wind takes his kite high in the air. His kite gets caught in the treetops. Someone walking by helps Kyle get his kite back. At sunset, Kyle must go back home. It is now his bedtime. Kyle has had a fun day. His parents tuck Kyle into bed and give him a kiss goodnight.

Answer the questions below in a complete sentence.

1. Who is the main character in the story?
