READING – A VISIT TO GREEN PARK

Paragraph 1 Last Saturday, Emma and her brother Ben went to Green Park with their parents. The park was bigger than the garden near their house. It was a place where many families spent their weekends. When they arrived, some children were playing football and a woman was walking her dog. Emma saw a girl who was riding a blue bike.

Paragraph 2 Emma enjoys taking photos of flowers, so she took pictures of the trees and the colourful birds. Ben can ride a bike very well, but he wanted to play football with the other children. Their father watched the game, and their mother sat on a bench. The weather was sunny, but the wind was cold.

Paragraph 3 At lunchtime, the family went to a café which was next to the lake. They could choose a cheese sandwich or a chicken sandwich. Emma wanted to buy a cold drink, but she didn't have enough money with her. Her mother helped her. The children were happy because it was one of the most exciting days of their weekend.
