## LISTENING (approximately 40 minutes)

### Part 1

You will hear people talking in eight different situations.
For questions **1–8**, choose the best answer (**A**, **B** or **C**).

---

**1** You hear a young photographer who has just taken part in an international photography competition.

How does she feel about the photographs she entered for the competition?

**A** proud that they were so unusual

**B** pleased that her parents approved of them

**C** hopeful that they will have an impact

**2** You hear a science teacher talking to his students about research into an ancient volcanic eruption.

What is he trying to do?

**A** explain to them the possible problems of the methods used

**B** show them how much evidence is needed to establish a fact

**C** tell them how to check the results of their experiments

**3** You hear two friends talking about football.

How does the girl feel about what the boy says?

**A** unsure about whether to believe him

**B** surprised by his knowledge of the subject

**C** confused by some of the details he mentions

**4** You hear a boy telling a friend about an ice festival he went to.

What did he enjoy most about it?

**A** having the opportunity to do some activities on ice

**B** learning how to make things out of ice

**C** listening to a concert in an ice castle

LIVEWORKSHEETS

5 You hear a girl talking about playing tennis in international competitions.

What does she say about the other players?

**A** She tries to get on well with them because she has no choice.

**B** Her relationships with them improve when she is playing well.

**C** They make friendships based on understanding each other's problems.

6 You hear part of an interview with a girl who took part in an extreme marathon.

What is she doing?

**A** expressing gratitude for the support she received

**B** justifying her decision to take part in the race

**C** describing her relief that nothing went wrong

7 You hear two friends discussing a news story about a wild animal.

How does the girl feel about the story?

**A** concerned about what it might mean for the animal

**B** surprised at the interest it has attracted

**C** uncertain about how true it is

8 You hear a teacher giving feedback to his students about their written homework.

How does he feel about the students' work?

**A** annoyed that it was left incomplete

**B** disappointed with their attitude towards it

**C** dissatisfied with the standard of presentation
