My daily routine

My name is Adam. I always wake up at 7 o'clock in the morning, then I wash my face and brush my teeth. After that, I do some exercises, then I put my clothes on and prepare my school bag. Next, I have my breakfast and wait for the school bus. At 8 o'clock I go to school and start my first class then I go to the second class. After that, I often take my lunch break and talk with my friends. At around noon, I go back home and take a rest. Next, I usually watch some TV and chat with my family, then I do my homework and help my mother in the house. At 9 o'clock I read a book and go to sleep.
