Harry Potter and the Missing Wand

Read the story!

One morning, Harry, Hermione and Ron arrived at their classroom. Harry wanted to practice a new spell, but he couldn't find his wand!

'Where did you put it?' Hermione asked.

'I left it on my desk yesterday!' Harry answered.

The three friends searched the classroom. Ron looked under the tables, Hermione checked the bookshelves, and Harry opened his schoolbag.

Suddenly, Ron heard a strange noise behind the cupboard. He opened it and found Harry's wand next to a small white owl!

'Here it is!' Ron shouted.

Harry took his wand and smiled. Hermione laughed because the owl looked very proud of its discovery.

The friends returned to their lesson, but they never forgot their funny morning adventure!
