

1) Listen and read.

**Harry Lee is a space tourist. He is going on a three-month space mission.**

**Interviewer:** Three months is a long time. What will you do if you miss your family?

**Harry:** If I miss them, I will call or email. There are lots of ways to communicate in space.

**Interviewer:** What about food? If you don't like the food, will it be a problem?

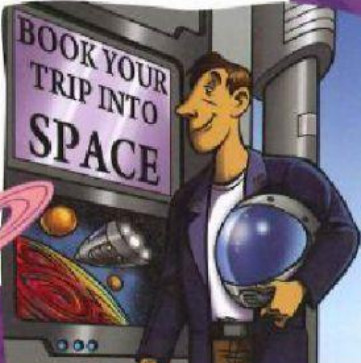

**Harry:** Yes, it will. If I don't eat, I will be hungry! But space food is good.

**Interviewer:** What will happen if you are sick?

**Harry:** That's a good question! If I'm sick, I will call a doctor on Earth and I will ask for advice.

**Interviewer:** And what about at night? You won't enjoy the trip if you can't sleep.

**Harry:** I will count the stars if I can't sleep. There are millions of them.
