#2			$
#3			$
#4			$
#5			$
		TOTAL SPENDING (Max $3,000):	**$**
		REMAINING BALANCE ($3,000 − Total Spending):	**$**

Critical Thinking & Advertising Reflection

1. Excluded Products: Name at least two products you left out of your cart and explain *why* you decided not to buy them.

2. Influence of Advertising: Look closely at the advertising slogans on the catalog cards (such as *"Be the envy of your hallway"* or *"Glow like your favorite influencer"*). How does advertising try to turn a **want** into a **need**, and how did it affect your choices?
