Subject: Let's Join the Fun Run!

Hi Aisyah,
Have you heard about the Health and Fitness Fun Run next weekend? It's on Sunday, 12th May at the City Park. The event is to help people stay healthy and active. It's only 3 km, so it's great for beginners too.

I think it will be fun to join, and we can train together this week. We just need to sign up by Friday. Let me know if you're interested!

Take care,
Nina

1. What is Nina's purpose in writing the email?
   - **A** To ask Aisyah if she wants to join the fun run.
   - **B** To explain why the fun run is important.
   - **C** To give tips about running.

Preserving a Family Tradition

I read the article last week about keeping traditions alive. I believe it is important to continue family traditions, even when life is difficult. In my family, we make handwoven baskets every year for the village festival. When I was younger, we didn't have enough money to buy materials, so my grandmother taught me how to use old plant fibers instead. Now, I am proud to continue this tradition and teach younger children how to do it too.

- Encik Warisan -

2. What does the letter suggest about Encik Warisan?
   - **A** He has decided to start learning how to make baskets.
   - **B** He thinks making baskets is only for older generations.
   - **C** He believes in continuing traditions despite challenges.
