### RULES FOR USING SOCIAL MEDIA SAFELY

- ⚠ Do not believe any information without confirming it.
- ⚠ Use private settings to control your account.
- ⚠ Be sure that you want to post a photo/ video.
- ⚠ Do not talk about your private life.

Tom: In the evenings, I surf the Internet. When I see interesting news, I try to find out its source.

Sally: I am very careful before I post a photo or video online.

Chris: When I sign up to a social media site, I make sure that only my friends see what I post.

Emily: When I am online, I tell everybody my birthday, where I live and what I like.

6.

According to the people above, which one is true?

- A) Tom always looks for the details of the news.
- B) Sally is not careful about internet safety rules.
- C) Chris accepts people to his social media account he doesn't know face to face
- D) Emily never shares her personal information on the internet.

I personally use the internet mostly for self-development: taking online courses, reading posts from good author I follow, and keeping up to date with the latest happenings in my areas of interest.

7.

Kevin

Which one CAN be true according to Kevin's speech?

- A) Kevin follows and reads some blog pages about technology.
- B) Kevin likes learning and discovering new things.
- C) Kevin plays online games most of his free time.
