Conversation

Carol: *What are you doing Mum?*

Mother: *I'm preparing some cream. I need it for this new recipe. Can you help me?*

Carol: *Sure! I don't have anything to do at the moment. What do we need?*

Mother: *A lot of ingredients, I'm afraid. We have some margarine, a few apples, plenty of bananas, a little cheese, a carton of milk and a bag of flour. Is there any sugar?*

Carol: *There isn't much. How much do you need?*

Mother: *300 g. How about eggs? Are there any?*

Carol: *Not many, only half a dozen. How many do we need?*

Mother: *Ten. And we also need a lot of chocolate and some cherries.*

Carol: *There isn't any chocolate and we haven't got any cherries, either. I'll go now and get the missing ingredients from the supermarket.*
