KIDS FOUR FINAL EXAM

Paper 2
Time allowed: 1 hour

A) Read the story: **"Emily's First Big Game".**

Emily is a 12 – year - old girl and she likes basketball very much. Last year, she often played alone in her backyard. She practised shooting the ball into the basket every day. Last month, her coach saw her playing at school. He asked her to join the school team. Emily felt nervous, but she said yes!

In her first class, Emily didn´t know the other players on the team. The other girls were friendly and passed the ball to her. The coach taught her to play with the team. He said, "*Good job, Emily. Keep practising!*"

After two weeks, Emily was ready for her first game. She felt excited, but also a little scared. On the day of the game, she wore her team uniform and basketball shoes. Her mom and dad came to watch her.

At the start of the game, Emily sat on the **bench**. In the second half, the coach asked her to play. Emily ran onto the court and passed the ball to her teammates. She played hard, but she didn´t score any points. Then, near the end of the game, she got the ball. She shot and the ball went into the basket!

Emily's team won the game by two points. After the game, her coach and teammates said, "*Well done, Emily!*" She felt proud and happy. She learned that playing in a team was more fun than playing alone.
