I Wish…

A I wish I [1]._____ at the beach today.
I wish I [2]._____ at school.
I could have learned to waterski.
That would have been so cool!

B I wish I [3]._____ to the desert
and [4]._____ in a hot-air balloon.
Nothing to see for miles and miles,
only the stars and the moon.

C I wish I [5]._____ right now
to a hotel made of ice.
I [6]._____ hot chocolate all day long.
That would be really nice!

D I wish I [7]._____ in a tree house hotel
and listen to monkeys shout.
I [8]._____ the birds and admire the view.
I wouldn't want to check out!

Class: There's always going to be something else you wish that you could do.
But that's OK, because that means there's a lot to look forward to!
