

1. Navigate at the mall

Instructions: Ask and give directions to your partner on how to find a clothing store at the mall. Make a list of some directions at the mall that you would give your partner.

Example:

Ask directions at the mall.

- Where's the women's shoes?
- The women's shoes is in front of the coffee shop.
- Where is the carriion store?
- The carriion store is on the second floor in front of the cinema.

Give directions at the mall.

- How do I get there?
- Just go down the stair and turn right you will find the women's shoes.
- How do I get there?
- Just to go up the stairs and in front of the cinema, you wil find the carriion store.
