MY PETS AND THEIR FRIENDS

Once upon a time, there was a girl named Emma. She had two pets, a dog and a cat. She loved them very much.

Her dog's name was Max. He was brown and friendly. He liked to run and play with Emma.

Her cat's name was Mimi. She was small and white. She liked to sleep and play with Max.

One day, Emma and Max went to the garden. They saw a little rabbit. His name was Coco. Coco was cute and liked to eat carrots. Emma gave him a carrot, and Coco was happy.

Then, they saw a little bird in a tree. The bird was singing. Emma, Max, Mimi, and Coco listened to the bird.

Near the garden, there was a fish in a small tank. The fish was orange and swam happily. Emma also saw a turtle. The turtle was slow, but very cute.

Emma gave her animals food and water. She cleaned their places and played with them every day.

Emma was happy because she had many animal friends. She loved them all. She learned that pets need love, food, water, and care.

And they were all happy together.
