5/Choose the right answer:

Many students enjoy participating in (reading / sports and leisure activities / competitions) to stay healthy and have fun with friends. One of the most popular activities is (dancing /running /writing), which helps improve speed and stamina. Others prefer (cycling / swimming / painting) because it strengthens the legs and can be done outdoors or in the gym.

Last month, our school organized a big (interview / speech /race) that included both boys and girls from grades 7 to 9. It was exciting to watch everyone give their best. The top three winners received a (lesson / prize /test) for their efforts.
After the event, a local magazine did an (test / interview / exercise) with the winners to share (him/their/ mine) experiences and tips with other students.

6/ Choose the right answer:

The sky is clear. It's a (cloudy – sunny – stormy) afternoon. The garden is full of kids. Some boys (ride – are riding – rides) bicycles together. Some others are carrying their football boots. The squirrels are gathering some nuts on the (slide – grass – bench). A boy and his mother are (having – has – have) a sandwich and walking the (puppy – goldfish – parrot).Two people are sitting (next/ under/ on) the tree and reading a book. I can (see/sees/seeing) all the animals. There (is/are/am) dogs, birds and (pear/ pineapple/ squirrels).

7/ Choose the right answer:

Lucas is a hardworking student. He is always (lazy – energetic – sleepy). (At – In – Under) weekdays, he usually (ride/is riding/rides) his bike to school with (him/he/his) friends. In the evenings, he often (walks – washes – waters) the plants and packs his bag himself. (On/In/At) the morning, he shares breakfast with his brother.
On Sundays, he can spend hours (drawing – draw – draws) comics in his notebook. He is really good (at – in – on) sketching cartoons, especially after lunch when the house is quiet. Lucas adores (play – plays – playing) video games with his cousin online, though he isn't keen on (cook – cooking – cooks) dinner for himself.
