A DAY AT ANIMAL WORLD

Listen to the audio. Read the story aloud. Then record your voice.

On my last **birthday**, I **went** to Animal World. Animal World is a kind of zoo. I don't always **like** zoos because sometimes the animals aren't **happy** there – but Animal World is **different**.

There are **big**, **green** fields for the kangaroos, which **love** to **jump** and **eat** grass. The hippos **have** a lake to **swim** in and there are lots of trees for the parrots to **fly** in.

There's a **small** farm with rabbits, goats and chickens. There are horses for the children to **ride** in that part of Animal World, too. Children can **learn** a lot about the food that the animals **like** and the places they **like** to **live** in.

My uncle **drove** me and my sister there in his car. I **had** a **great** day. When I **got** home, I **drew** a picture of a tiger. I **love** it!
