Milo and the Apple

Milo is a little hedgehog. He lives in a small forest. One day, Milo finds a big red apple under a tree. He is very happy.

Then the apple rolls into the grass! Milo looks under the leaves and behind a rock. Finally, Bunny helps Milo find the apple near the river. Milo smiles and says, “Thank you!”

Fill in the gaps.

1. Milo is a little _____.
2. He finds a big red _____ under a tree.
3. The apple rolls into the _____.
4. Bunny helps Milo find the apple near the _____.
