d) Those burgers look really tasty. I might have to get *it / one*.

e) Did you do *anything / something* interesting at the weekend?

2) Complete the text with the correct form of the verb in brackets. (5p)

The ozone layer is a layer of chemicals which protects us from the sun's radiation. If there was no ozone layer, we (a) _____ (be able) to survive on Earth. In the 1950s a hole in the ozone layer was discovered and in the 1980s a group of scientists discovered that it was getting worse. They believed that if we (b) _____ (do) something about it, this hole would cause serious damage to life on Earth. Scientists realised that this problem was partly caused by chemicals found in aerosol sprays and refrigerators. They thought that we could only solve the problem if we (c) _____ (stop) using them. As a result, many governments decided to ban them. Thirty years later, scientists have confirmed that the hole is getting smaller. If it hadn't been for that group of scientists, we (d) _____ (find out) about the hole in the ozone layer. If the governments (e) _____ (act) so decisively, we might be living in a very different world today.

3) Choose the best word or phrase (a, b or c) to complete each sentence. (5p)
