Friday Barnes, Girl Detective is about 11-year-old Friday Barnes. Her parents are always busy, so she spends her time reading. She reads lots of detective stories. Then some thieves steal some jewellery and, guess what, Friday is able to help her detective uncle catch them. When she gets a reward of $50,000, she spends the money on going to a really good boarding school. The head teacher doesn't like Friday because she is different from the other students. Friday is clever, too, and she solves mysteries at the school with her friend Melanie.
