5th Grade - Final Test - Reading Comprehension.

1) Read about Harry. Then read the sentences and write true or false. (20 marks)

My name is Harry. There are five people in my family; me, my parents and my two sisters. I'm twelve, and I'm the youngest person in the family. My dad is a teacher. My mum works in a library. She's younger than my dad. My dad is free at weekends, but Mum works on Saturday mornings.

We live in a flat in Harlow, a big town about fifty kilometres from London. We moved here three years ago. Before that, we lived in Liverpool. I like living here because there are lots of young people in my street.

It's only five minutes on foot from our flat to my school, so I don't need to get a bus in the morning. I enjoy learning languages and my favourite subject is Spanish. I'm going to visit Spain next month with a group of students from my school. It'll be my first visit to Spain. I can't wait!
